

## eCargo bike supplier List

eCargo bikes suitable for commercial use are unlikely to be available from most 'normal' bike shops. The lists below include UK retailers, UK manufacturers/ suppliers, and ecargo bike manufacturers across Europe that may be able to support your acquisition of ecargo bikes.

Please note:

- This list is provided for information only, and does not claim to be comprehensive
- Inclusion on this list should not be taken as any form of endorsement
- not all of the suppliers listed will provide ecargo bikes eligible for this grant
- If you are a supplier of ecargo bikes suitable for commercial use and would like to be added to these listings, contact us.

### *More information*

- Many UK specialist dealers listed overleaf offer advice and support and are contactable by email or phone.
- Local ecargo bike operators may offer advice and expertise on a paid consultancy basis.
- A number of ecargo bike and cycle logistics start-up workshops are available free of charge via the European Cycle Logistics Federation (ECLF).
